

**STATEMENT OF BEQUEST COMMITMENT:
AN INDUCTION INTO THE OJAI VALLEY LAND CONSERVANCY'S SHANGRI-LA CLUB**

We invite you to disclose your intention to make a provision for the Ojai Valley Land Conservancy in your will or other avenue of charitable giving. Sharing your intent either verbally or in writing will induct you into the Ojai Valley Land Conservancy's Shangri-La Club, a group of members who care deeply about protecting Ojai's views, trails, water and wildlife. Your bequest allows us to plan the organizations future more effectively.

When you join the Shangri-La Club, in addition to the basic benefits of membership, you will be invited to a special annual open house and be included in our annual appreciation party. Don't forget that your bequest may bring significant tax benefits.

This form is not a legal document. Information you share will be held in strict confidence. This statement will not restrict your ability to modify your will at any time.
